The sun is shining, the inside of your house feels like a furnace and it is time to make dinner. Are you going to turn on the oven? Didn't think so. It is perfect grilling weather and now you will have some fantastic beef recipes to make a night of it.

Just don't set your Kindle anywhere near the BBQ. It will melt faster than those poor army men you used to toss into your dad's grill! Oh boy was he mad, ha-ha. Ahh memories.

Barbecuing Is An Art Form

If you have ever grilled steak, you know how hard it can be to get it just right. It can take many a ruined steak to finally figure out the exact temperature and the exact time for your steaks to be perfect on your BBQ.

Don't get discouraged and do not follow the times listed in this book unless you know they work for your particular BBQ. Let's face it. Our barbecues are like old cars. They have their own unique system to cook on no different than you used to have to pump the gas three times on the old beast and rattle the keys just right.

But when you started it right that car purred like a lion. Your grill is the same. You know the hot spots and the fact your medium high is really lava hot. So make sure to modify the cooking times on these recipes to match your grill. That way you can almost guarantee a perfect steak.
