## Red November: Inside the Secret U.S.-Soviet Submarine War W. Craig Reed

“*Red November* delivers the real life feel and fears of submariners who risked their lives to keep the peace.”

—Steve Berry, author of *The Paris Vendetta* <?xml:namespace prefix = o ns = "urn:schemas-microsoft-com:office:office" />

W. Craig Reed, a former navy diver and fast-attack submariner, provides a riveting portrayal of the secret underwater struggle between the US and the USSR in *Red November*. A spellbinding true-life adventure in the bestselling tradition of *Blind Man's Bluff*, it reveals previously undisclosed details about the most dangerous, daring, and decorated missions of the Cold War, earning raves from *New York Times* bestselling authors David Morrell, who calls it, “palpably gripping,” and James Rollins, who says, “If Tom Clancy had turned *The Hunt for Red October* into a nonfiction thriller, *Red November* might be the result.”
