Iris Krasnow

**Sex After . . . : Women Share How Intimacy Changes as Life Changes** Iris Krasnow

**The bestselling author of *The Secret Lives of Wives* offers a refreshingly straightforward guide to enjoying a long, satisfying sex life.**

Women of the baby boomer generation know and trust Iris Krasnow as a writer who speaks candidly to the issues that concern them most. In the months following the publication of her most recent book, *The Secret Lives of Wives*, Krasnow addressed thousands of women, and she discovered that two subjects dominated her audiences' conversations: sex and change. Whether women are worried about marriage and divorce or illness and death, they're all asking: "How do I handle the shifts in my sexuality caused by these events?" *Sex After . . .* holds the answers to everything from regaining sexual confidence after childbirth and breast cancer to navigating the dating scene in senior communities.

As with all of Krasnow's books since her *New York Times* bestseller *Surrendering to Marriage*, the narrative is driven by real women's stories: raw, intimate, and, most importantly, true. Prescriptive, emancipating, and insightful, *Sex After . . .* addresses a range of circumstances, including what happens:

- When you or your spouse doesn't want sex anymore
- After cancer, amputation, PTSD, or another illness maims the body
- If you come out of the closet at middle age
- When your marriage is damaged by adultery
- If you're dating again after twenty-five years with the same sexual partner
- When your husband is addicted to Viagra

Filled with edgy and honest stories of carnal challenge and triumph from women of all backgrounds and life stages, *Sex After . . .* is Krasnow's signature take on *Everything You Ever Wanted to Know About Sex but Were Afraid to Ask*—during all of life's passages. Krasnow is a media and lecture tour favorite, and readers—whether in the heat of an initial can't-eat-can't-sleep attraction or rounding the corner to their sixtieth anniversary—will applaud her eye-opening perspectives on the one issue that can change lives for better or worse like nothing else.
