The Airport Book Lisa Brown

Follow a family and the youngest member's favorite sock monkey through all the inner and outer workings of an airport.

In a book that is as intriguing as it is useful and entertaining, we follow a family on its way through the complexities of a modern-day airport. From checking bags and watching them disappear on the mysterious conveyer belt, to security clearance and a seemingly endless wait at the gate to finally being airborne.

But wait! There's more! The youngest family member's sock monkey has gone missing. Follow it at the bottom of the page as it makes a journey as memorable as that of the humans above.
