## **The Black Widow** Wendy Corsi Staub

In a chilling new thriller from *New York Times* bestselling author Wendy Corsi Staub, one woman looking for love online is entangled in a killer's terrifying scheme . . .

In the moonlight, shovelfuls of earth fall on a wooden crate at the bottom of a deep pit. Soon the hole will be filled and covered over with leaves, erasing all trace of the victim below, waking to the horror of being buried alive . . .

Newly divorced Gaby Duran isn't really expecting to find her soul mate on a dating site like InTune. She just needs a distraction from pining over her ex-husband, Ben, and the happy marriage they once had. And she's wise enough to know that online, the truth doesn't always match the profile. Almost everyone lies a little—or a lot.

But Gaby quickly discovers there is much more at stake than her lonely heart. Local singles are going missing after making online connections. And a predator is searching again for the perfect match. One who will fulfill every twisted desire . . . or die trying.

### From reader reviews:

#### **Samuel Brooks:**

What do you concerning book? It is not important along with you? Or just adding material when you need something to explain what you problem? How about your free time? Or are you busy person? If you don't have spare time to try and do others business, it is make you feel bored faster. And you have time? What did you do? Every individual has many questions above. They have to answer that question because just their can do this. It said that about e-book. Book is familiar on every person. Yes, it is proper. Because start from on guardería until university need that The Black Widow to read.

#### **Charles Edwards:**

This book untitled The Black Widow to be one of several books in which best seller in this year, honestly, that is because when you read this book you can get a lot of benefit into it. You will easily to buy that book in the book retail store or you can order it through online. The publisher of the book sells the e-book too. It makes you quicker to read this book, because you can read this book in your Smartphone. So there is no reason to your account to past this publication from your list.

#### **Barbara Duty:**

Exactly why? Because this The Black Widow is an unordinary book that the inside of the reserve waiting for you to snap the item but latter it will jolt you with the secret the idea inside. Reading this book beside it was fantastic author who all write the book in such incredible way makes the content inside easier to understand, entertaining approach but still convey the meaning completely. So , it is good for you for not hesitating having this anymore or you going to regret it. This amazing book will give you a lot of gains than the other book have such as help improving your talent and your critical thinking means. So , still want to hold off having that book? If I have been you I will go to the publication store hurriedly.

#### **Justin Oliver:**

Reading a book to be new life style in this season; every people loves to study a book. When you examine a book you can get a lots of benefit. When you read textbooks, you can improve your knowledge, simply because book has a lot of information onto it. The information that you will get depend on what sorts of book that you have read. If you need to get information about your analysis, you can read education books, but if you want to entertain yourself you are able to a fiction books, these us novel, comics, as well as soon. The The Black Widow provide you with a new experience in looking at a book.
