Vera: A Novel

Gabrielle Glancy

Vera: A Novel Gabrielle Glancy

It's kinky. It's trans. And when he/she/it/we/they first made the rounds, the publishing world thought *Vera sizzled too much to take a chance on it.* ?Pocket Books rejected the book for being "too literary, on one hand, and too sexy on the other," while Clifford Chase calls it, "A new kind of novel: a love story of ideas, a lyrical romp, a faux mystery with genuine heart."

We're not in 1999 anymore. Vera has finally come out.

Part Don Quixote bubbling dreamer, part reckless detective, the narrator of *Vera* pilots her way through a murky urban terrain, in search of love and answers. What she discovers in a 1990's San Francisco, stuck somewhere between AIDS and 9/11, is not what she set out to find.
