**Aftermath of Forever: How I Loved, Lost, and Found Myself. The Mix Tape Diaries (Punx)** Natalye Childress

*The Aftermath of Forever: How I Loved and Lost and Found Myself* is a memoir that chronicles the romantic coming-of-age of a woman in her 20s experiencing dating in the San Francisco Bay Area. After the disappointment of a failed marriage, Natalye Childress embarks on a soul-searching journey to discover what happens when the one you thought you would be with forever breaks your heart. Using music as a vehicle to express herself, she revisits ten men from her past and paints a portrait of their relationships through the mixtapes she has made them. Her quest for love takes the form of delving into the hedonistic world of noncommittal beaus, abusive boyfriends, and friends with benefits. These men, although they leave her life almost as quickly as they entered it, collectively help shape her future as she embarks on a quest not only to find love, but to find herself.
