More Than Words: Bestselling authors & Real-life heroines

Each year, the Harlequin More Than Words award is given to three women who have worked hard to change people's lives for the better. Inspired by their accomplishments, three bestselling authors have written stories to honor these real-life heroines.

In *Just Joe*, Stacy Donovan is willing to do whatever it takes to save her charity, Bounties from the Gardens. Families in need are counting on her organization for fresh fruits and vegetables. Running the charity has always been Stacy's dream, and if winning a local dance competition will keep her dream alive, that's what she'll do.

After years of being consumed by work, Joe Carpenter has discovered a new passion: giving back to the community. He's started to volunteer at Bounties from the Gardens, and he's falling for the beautiful, dedicated Stacy. But Stacy is so focused on looking after her charity, she might miss the fact that Joe is just the person to watch over her heart.

Look for all three ebooks inspired by real-life heroines: *Good Neighbors* by Sheila Roberts, *Just Joe* by Carla Cassidy and *Light This Candle* by Cindy Dees.
