Two men, Rafe de Lorca and Steele Reid, are committed as deeply to their job as they are in their love for each other. Trained in espionage, they are killers by necessity and patriots by choice. Betrayed by the very people they work for and on the run, will they manage to survive or will those who are after them prevail? Espionage agent Anders must protect Grant Eastman and his son, Nicky, after Grant discovers information vital to national security. Teamed with a third man they attempt to get the information into safe hands while trying to elude those who would kill them to retrieve it.

As a university student exactly feel bored to reading. If their teacher inquired them to go to the library in order to make summary for some e-book, they are complained. Just very little students that has reading's spirit or real their hobby. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that examining is not important, boring and can't see colorful pics on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Shadow Men can make you really feel more interested to read.
