**Soldier, Sister, Spy, Scout: Women Soldiers and Patriots on the Western Frontier** Chris Enss, Joann Chartier

From the earliest days of the western frontier, women heeded the call to go west along with their husbands, sweethearts, and parents. Many of these women were attached to the army camps and outposts that dotted the prairies. Some were active participants in the skirmishes and battles that took place in the western territories. Each of these women-wives, mothers, daughters, laundresses, soldiers, and shamans-risked their lives in unsettled lands, facing such challenges as bearing children in primitive conditions and defying military orders in an effort to save innocent people.

*Soldier, Sister, Spy, Scout* tells the story of twelve such brave women-*Buffalo Soldiers*, scouts, interpreters, nurses, and others-who served their country in the early frontier. These heroic women displayed a depth of courage and physical bravery not found in many men of the time. Their remarkable commitment and willingness to throw off the constraints of nineteenth-century conventions helped build the west for generations to come.
