Theodore M. Snider

The Divine Activity: An Approach to Incarnational Theology (American University Studies) Theodore M. Snider

Using the methodology of process theology, especially the works of Cobb, Williams, and Pittenger, this book defines incarnation as the continuous self-revealing activity of God. Incarnation is presented as a model for spirituality, interpersonal relations, and social change. The final chapters apply this model to the issue of pluralism and challenge the exclusiveness of Christianity.
