The Harvest John David Krygelski

John David Krygelski's suspenseful debut novel - *The Harvest* - is a stunning tour de force! Whether tackling the epic battle between good and evil, or answering the subtle and persistent questions which haunt us all, Krygelski writes a compelling and startling story centered on the mysterious arrival of a man who claims to be the Creator. Clearly not a mortal, Elohim - as the stranger prefers to be known - astounds those he meets with unexplainable miracles and reality-altering answers. All of this is but a prelude to his announcement that he has come to do something...something which will affect every person on Earth...something which will occur in five days. Against the backdrop of a world reacting to the announcement that God has arrived, a hastily assembled group of interviewers question and test Elohim...while hidden forces emerge to thwart his plans.
