David Stockman

The Triumph of Politics: Why the Reagan Revolution Failed David Stockman

As Director of the Office of Management and Budget in the early 1980s, David Stockman was a chief architect of the Reagan Revolution—a bold plan to cut taxes and reduce the scope and cost of government. *The Triumph of Politics* was Stockman's frontline report of the miscalculations, manipulations, and political intrigues that led to its failure. A major publishing event and *New York Times* bestseller in its day, *The Triumph of Politics* is still startling relevant to the conduct of Washington politics today.
