**Wounded Woman: Healing the Father-Daughter Relationship** Linda Schierse Leonard

This book is an invaluable key to self-understanding. Using examples from her own life and the lives of her clients, as well as from dreams, fairy tales, myths, films, and literature, Linda Schierse Leonard, a Jungian analyst, exposes the wound of the spirit that both men and women of our culture bear—a wound that is grounded in a poor relationship between masculine and feminine principles.

Leonard speculates that when a father is wounded in his own psychological development, he is not able to give his daughter the care and guidance she needs. Inheriting this wound, she may find that her ability to express herself professionally, intellectually, sexually, and socially is impaired. On a broader scale, Leonard discusses how women compensate for cultural devaluation, resorting to passive submission (“the Eternal Girl”), or a defensive imitation of the masculine (“the Armored Amazon”).

*The Wounded Woman* shows that by understanding the father-daughter wound and working to transform it psychologically, it is possible to achieve a fruitful, caring relationship between men and women, between fathers and daughters, a relationship that honors both the mutuality and the uniqueness of the sexes.
