For the Love of Mom (For the Love Of...(Health Communications)) Maria Bailey

From teaching us to tie our shoes to parallel park, from outfitting us for our first dance or our first day in the dorm room, our moms have been our chief counselors, cheerleaders, critics, chauffeurs, and chefs.

For the Love of Mom pays homage to the special women who rocked us, raised us, championed us, challenged us, and—at times—exasperated us. Whether a woman becomes a mom by giving birth, or through the blessings of adoption or step-parenting, she will be moved, inspired, and entertained by these true stories that share both the monumental milestones and everyday moments of motherhood. Some stories are humorous, some heartfelt; others will help moms through the trying times, yet all underscore the devotion and dedication we admire most about mothers.

While the experience of motherhood is different for every woman, one thing is universal: it's almost impossible to fathom the myriad of joys and triumphs encountered on the journey. *For the Love of Mom* celebrates moms and the uniquely important roles they play in our lives.
