Have you wondered why you are here on this Earth or what your purpose is? Read Paul Goldman's poetry in Journey Into Oneness to discover a deeper connection to both your own divinity and your connection to the One, the Source of all. In these poems of oneness, find a way to separate out what you have known as the self or the one running the show to a recognition that much of what we thought was under our control, happens automatically. Do we control our breathing or other bodily functions? Is our connection to our Source there waiting to be awakened? Come to a new understanding of yourself as not separate but deeply connected, to the One who breathed life into your soul.
