Nervous Universe Kate Monica

Whether the speakers in Kate Monica's poems are confessing secrets or longing for the moon or Facebook chatting with someone's grandfather or getting addicted to sports documentaries, *Nervous Universe* is at once surprising, strange, and poignant, and I couldn't stop reading once I'd started. "I like to do self-portraits," Monica writes, "but they're poems / but they're self portraits / but they're of strangers." - **Chelsea Hodson**, *Pity the Animal*
