Paradoxical Life: Meaning, Matter, and the Power of Human Choice

Prof. Andreas Wagner Ph.D

Paradoxical Life: Meaning, Matter, and the Power of Human Choice Prof. Andreas Wagner Ph.D

What can a fingernail tell us about the mysteries of creation? In one sense, a nail is merely a hunk of mute matter, yet in another, it's an information superhighway quite literally at our fingertips. Every moment, streams of molecular signals direct our cells to move, flatten, swell, shrink, divide, or die. Andreas Wagner's ambitious new book explores this hidden web of unimaginably complex interactions in every living being. In the process, he unveils a host of paradoxes underpinning our understanding of modern biology, contradictions he considers gatekeepers at the frontiers of knowledge.

Though we tend to think of concepts in such mutually exclusive pairs as mind-matter, self-other, and nature-nurture, Wagner argues that these opposing ideas are not actually separate. Indeed, they are as inextricably connected as the two sides of a coin. Through a tour of modern biological marvels, Wagner illustrates how this paradoxical tension has a profound effect on the way we define the world around us. *Paradoxical Life* is thus not only a unique account of modern biology. It ultimately serves a radical—and optimistic—outlook for humans and the world we help create.

From reader reviews:

Timothy Larios:

Nowadays reading books be a little more than want or need but also become a life style. This reading practice give you lot of advantages. Advantages you got of course the knowledge the rest of the information inside the book that improve your knowledge and information. The data you get based on what kind of book you read, if you want attract knowledge just go with training books but if you want really feel happy read one using theme for entertaining like comic or novel. Often the Paradoxical Life: Meaning, Matter, and the Power of Human Choice is kind of reserve which is giving the reader unstable experience.

Judith Jordan:

The reserve with title Paradoxical Life: Meaning, Matter, and the Power of Human Choice includes a lot of information that you can understand it. You can get a lot of profit after read this book. That book exist new know-how the information that exist in this e-book represented the condition of the world at this point. That is important to yo7u to learn how the improvement of the world. That book will bring you throughout new era of the syndication. You can read the e-book on the smart phone, so you can read it anywhere you want.

Dennis James:

The book Paradoxical Life: Meaning, Matter, and the Power of Human Choice has a lot associated with on it. So when you make sure to read this book you can get a lot of benefit. The book was published by the very famous author. This articles author makes some research just before write this book. That book very easy to read you can find the point easily after reading this article book.

Elaine Davenport:

As a pupil exactly feel bored to help reading. If their teacher requested them to go to the library or to make summary for some publication, they are complained. Just tiny students that has reading's internal or real their leisure activity. They just do what the professor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that looking at is not important, boring and can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Paradoxical Life: Meaning, Matter, and the Power of Human Choice can make you really feel more interested to read.
