Practice in a Simulated Testing Environment . . . with the Most Difficult Questions Available!

How good would it feel to know you will pass the PMP exam **BEFORE** you take it? PM FASTrack is an exam simulation software program containing more than 1,400 questions and six testing modes, allowing you to create an unlimited number of different exams. Created with the help of a psychometrician (just like the actual exam) PM FASTrack is designed to simulate the exam and eliminate any surprises. The application also:

- Tracks your progress with printable reports and graphs
- Provides explanations of answers and page references to Rita's book
- Contains "wordy" questions like the exam
- Helps you gain confidence and fill your gaps
- Decreases your study time!

In addition, users with Internet connections receive FREE real-time database updates as they become available. Students say the questions in PM FASTrack are more difficult than the ones on the actual exam!
