The Crisis of Our Age

Pitrim A. Sorokin

The Crisis of Our Age Pitrim A. Sorokin

This is an analysis of the nature, causes and consequences of the crisis of modern society. Professor Sorokin asserts that the whole of modern culture is undergoing a period of transition brought on by the struggle between the forces of the largely outworn materialistic order and the emerging, creative forces of a new idealistic order. On the outcome of this struggle, the author contends, rests the progress and survival of mankind.

From reader reviews:

Peter Tesch:

The book The Crisis of Our Age can give more knowledge and information about everything you want. So just why must we leave a good thing like a book The Crisis of Our Age? Several of you have a different opinion about guide. But one aim this book can give many data for us. It is absolutely right. Right now, try to closer with the book. Knowledge or details that you take for that, you may give for each other; you could share all of these. Book The Crisis of Our Age has simple shape however you know: it has great and massive function for you. You can appear the enormous world by open up and read a book. So it is very wonderful.

Allen Ellis:

What do you about book? It is not important to you? Or just adding material when you require something to explain what yours problem? How about your time? Or are you busy individual? If you don't have spare time to complete others business, it is make one feel bored faster. And you have free time? What did you do? All people has many questions above. They have to answer that question simply because just their can do in which. It said that about e-book. Book is familiar in each person. Yes, it is appropriate. Because start from on jardín de infancia until university need this particular The Crisis of Our Age to read.

Robert Marshall:

The reason? Because this The Crisis of Our Age is an unordinary book that the inside of the book waiting for you to snap this but latter it will zap you with the secret it inside. Reading this book adjacent to it was fantastic author who else write the book in such awesome way makes the content within easier to understand, entertaining way but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this any more or you going to regret it. This book will give you a lot of positive aspects than the other book get such as help improving your ability and your critical thinking technique. So , still want to hold off having that book? If I were being you I will go to the publication store hurriedly.

Athena Thornton:

Many people spending their period by playing outside along with friends, fun activity together with family or just watching TV all day every day. You can have new activity to invest your whole day by studying a book. Ugh, you think reading a book really can hard because you have to use the book everywhere? It fine you can have the e-book, getting everywhere you want in your Touch screen phone. Like The Crisis of Our Age which is obtaining the e-book version. So , why not try out this book? Let's see.
