David Rieff

**Contra la memoria (Spanish Edition)** David Rieff

**Un imprescindible libro que cuestiona la necesidad de la memoria histórica.**

En esta candente y polémica obra el prestigioso intelectual estadounidense David Rieff presenta un conmovedor alegato contra nuestra pasión por el pasado. Analiza cómo la memoria colectiva sirve a la historia más nacionalista, y en su extremo, cómo la memoria de horrores pasados enciende profundos odios étnicos, violencia y guerras. Las matanzas que Rieff presenció en Bosnia tiñeron de sangre para siempre la idea del recuerdo. Este libro es el resultado de esa experiencia. Al cuestionar esa idea central de muchas sociedades, *Contra la memoria* provocará inevitablemente muchos debates.

*«En las colinas de Bosnia aprendí a odiar pero sobre todo a temer la memoria histórica colectiva. En su apropiación de la historia, que ha sido mi pasión más sostenida y mi refugio desde la infancia, la memoria colectiva logra que la historia misma se parezca más que a nada a un arsenal lleno de armas necesarias para mantener las guerras o hacer de la paz algo tenue y frío.»*

## Reseña:

«Este polémico libro es una lectura esencial para cualquiera que se interese por la ética, la política y la situación contemporánea del hombre.»

John Gray

«Un libro breve y contundente.»

Fernando Savater
