## Everything That Rises Must Converge: Stories (FSG Classics) Flannery O'Connor

Flannery O'Connor was working on *Everything That Rises Must Converge* at the time of her death. This collection is an exquisite legacy from a genius of the American short story, in which she scrutinizes territory familiar to her readers: race, faith, and morality. The stories encompass the comic and the tragic, the beautiful and the grotesque; each carries her highly individual stamp and could have been written by no one else.
