The Baltic Gambit: An Alan Lewrie Naval Adventure (Alan Lewrie Naval Adventures Book 15)

Dewey Lambdin

January 1801, and Captain Alan Lewrie, RN, known as "St. Alan the Liberator" for freeing (stealing!) a dozen black slaves on Jamaica to man his frigate years before, is at last being brought to trial for it, with his life on the line. At the same time, Russia, Sweden, Denmark, and Prussia are forming a League of Armed Neutrality, to Napoleon Bonaparte's delight, to deny Great Britain their vital exports, even if it means war. England will need all her experienced sea dogs, but ... *even Alan Lewrie?*

Ultimately Lewis is acquitted, but he's also ignored by the Navy, so it's half-pay on "civvy street" for him, and with idle time on his mischievous hands, Lewrie is *sure* to get himself in trouble---again!---especially if there are young women and his wastrel public school friends involved...and they are! A brawl in a Panton Saint brothel, a drunk, infatuated young Russian count, precede Lewrie's summons to Admiralty and the command of the *Thermopylae* frigate to replace an ill captain as the fleet gathers to face down the League of the North, and its instigator, the mad Tsar Paul.

Lewrie must take the *Thermopylae* into the Baltic in the dead of winter, alone and with no support, to scout the enemy fleets and iced-in harbours, deal with a fellow officer who is less of a friend than he thought, and be saddled with a pair of Russian noblemen as a last-minute peace delegation, but if the wily Foreign Office spy-master, Zachariah Twigg, sent them, what *else* might their mission be?

All that and the Battle of Copenhagen, too, and it's broadsides at close quarters, and treachery for Lewrie, forcing him to use all his wiles to survive!
