## **The Factory of Facts** Luc Sante

The acclaimed author of *Low Life* reinvents the memoir in a cunning, lyrical book that is at once a personal history and a meditation on the construction of identity.

Born in Belgium but raised in New Jersey, Luc Sante transformed himself from a pious, timid Belgian boy into a loutish American adolescent, who eschewed French while fantasizing about the pop star Françoise Hardy. To show how this transformation came about--and why it remained incomplete--*The Factory of Facts* combines family anecdote and ancestral legend; detailed forays into Belgian history, language, and religion; and deft synopses of the American character.

*From the Trade Paperback edition.*
