Kiril K. Maritchkov

The green state Laboratory (Italian Edition) Kiril K. Maritchkov

he Green State Laboratory rappresenta un nuovo sistema culturale, politico, economico e produttivo che poggia le basi su una nuova concezione ecologica del vivere sociale, su diversi rapporti di forza, sistemi di produzione e consumo. Una riflessione critica sui movimenti ecologisti e sul movimento della decrescita che porta alla teorizzazione di un nuovo approccio alle politiche di sostenibilità.

Kiril K. Maritchkov, con un linguaggio moderno e immediato, critica i movimenti ecologisti contemporanei proponendo nuove soluzioni e successivamente, poste le principali linee teoriche del suo The Green State Laboratory, delinea i requisiti e le modalità d'attuazione ed infine descrive i benefici che il progetto comporterà su scala locale e globale.
