A backyard anywhere is always fun to explore!

When budding naturalists Lucy and Benjamin get a chance to visit their cousin Gabe in Brooklyn, they can't wait. They are used to seeing fascinating animals and plants in the Florida Everglades where they live, but they can't imagine what they will find in Gabe's New York City backyard. The first book in Jeff Corwin's young middle-grade fiction series shows kids that no matter where you live, you can have fun discovering the plants, animals, and natural life around you.
