**THIS BOOK WILL RELEASE YOU TO DO THE WILL OF GOD FOR YOUR LIFE!**

*In A Spiritual Awakening*, revivalist Tommie Zito releases Christians to do the will of God with fearless faith. With years of successful evangelism to his credit, the author boldly decries the state of the Sunday morning ritual:

- The voice of the Lord is relegated to pointless sermons and denominational drivel.
- Religion has paralyzed the passion and desire of the believer to do the will of God.
- The Church is suffocating under the spirit of slumber, while believing all is well.

**BUT THERE IS HOPE--YOU!**

You and millions like you have the call, the passion and the desire to do what religion and its accompanying litany of legalism can never accomplish. You can change the world, your country, your city, your neighborhood, your home.

Zito calls on believers to the last-day Church's mandate to be a "house of prayer," if it is to move in an anointing which will make the world take notice of the Most High God. Zito notes, "A church bulletin contains more social activities and outings than times set aside to really pray and seek the Father's face."

The power of the Holy Spirit awaits all those who will respond to the burden of this book: to shake off religious irrelevancy and to do the will of God despite all opposition.
