Integrating Spirituality and Religion Into Counseling: A Guide to Competent Practice

Craig S. Young, J. Scott Young

Integrating Spirituality and Religion Into Counseling: A Guide to Competent Practice Craig S. Young, J. Scott Young

In this book, experts in the field discuss how spiritual and religious issues can be successfully integrated into counseling in a manner that is respectful of client beliefs and practices. Designed as an introductory text for counselors-in-training and clinicians, it describes the knowledge base and skills necessary to effectively engage clients in an exploration of their spiritual and religious lives to further the therapeutic process. Through an examination of the 2009 ASERVIC Competencies for Addressing Spiritual and Religious Issues in Counseling and the use of evidence-based tools and techniques, this book will guide you in providing services to clients presenting with these deeply sensitive and personal issues. Numerous strategies for clinical application are offered throughout the book, and new chapters on mindfulness, ritual, 12-step spirituality, prayer, and feminine spirituality enhance application to practice.
