Life on Mission Bible Study Book contains personal study segments, five group sessions, and an interactive conversation guide.

Approximately 259 million people in the United States and Canada do not have a personal relationship with Jesus Christ. **Life on Mission** is a North American Mission Board initiative that equips believers to live a missional lifestyle. A life lived on mission isn't a supersized version of an extraordinary Spirit-filled life. It isn't reserved only for top-level Christian risk takers who have mastered the art of obedience. Living a life on mission is the story of everyday, ordinary believers leveraging whatever levels of influence they have to bring unbelievers to faith in Christ.

Based on the authors' experiences as church planters, this five-session Bible study is equal parts purpose and practice. It's one thing to examine the heart of a mission-minded follower. It's another to adopt the strategy and actually become a mission-minded follower. This small group resource provides an opportunity for both. The video sessions feature prominent pastors and authors who are practitioners of a missional lifestyle as well as mission-minded preachers.

This Bible study will not make you into an evangelist. However, it will invite you to connect with God's mission and equip you with tools to live a life that matters.
