Taylor Swift is one of the world's most idolized stars and this gift set is packed with facts about the superstar. This beautifully designed book tells the story of Taylor Swift, one of America's biggest stars. When Taylor Swift's fourth full-length album 'Red' sold 1.2 million copies in autumn 2012, it was her second consecutive album to top a million in its debut week. The daughter of an investment banker, she emerged from a small town in Pennsylvania to become a star by sheer force of will. Her girl-next-door image was no pretence, but her most impressive achievement was crossing over from the country market and making inroads on the mainstream charts. This small-town girl with the big talent has become America's sweetheart and seems set to remain so. Included in this high-quality gift pack are 6 free 10 x 8 prints.
