The Dead Can Wait (Dr Watson Thrillers) Robert Ryan

Deep in England's green and pleasant land something evil lurks...

Dr John Watson, Sherlock Holmes' stalwart companion, is back home, fresh from his time in the trenches of Flanders Fields. The horrors of war weigh heavy on his mind, and now his task is to help rehabilitate soldiers suffering from the crippling effects of shell-shock.

But the war is not yet over and in one corner of England lies a secret, one that the establishment is determined to keep under wraps. For in the woodlands of the lush countryside, the government is building the secret weapon which will win the war for Britain. Here, they are developing the land ship - never-before-seen 'tanks' which the army is convinced will end the stalemate on the Western Front.

But then disaster strikes. After a training exercise in one of the tanks, eight men are mysteriously struck down, seven of them dead. There is just the one survivor, and he's not talking. It is clear something is horribly wrong, and the army calls in the only man who will know how to solve the mystery: Dr John Watson.

Praise for The Dead Can Wait:

'The Dead Can Wait is in no sense pastiche, but a seriously good, very readable, well-researched novel incorporating the First World War, detection and espionage' The Times

'In a year when there are going to be thousands of books about WWI published, this will be one of the first, and I am prepared to bet, one of the best. It's a cracking, fulfilling, utterly satisfying read and you should get a copy now...' Manda Scott

Praise for Dead Man's Land:

'A hugely powerful depiction of wartime horror, a cunning murder mystery and a brilliant re-invention of Dr John Watson. Conan Doyle would most definitely approve!' Mark Billingham

From reader reviews:

Amanda Haskin:

What do you concentrate on book? It is just for students as they are still students or that for all people in the world, exactly what the best subject for that? Only you can be answered for that problem above. Every person has various personality and hobby for every single other. Don't to be pushed someone or something that they don't want do that. You must know how great in addition to important the book The Dead Can Wait (Dr Watson Thrillers). All type of book could you see on many sources. You can look for the internet solutions or other social media.

Colleen Key:

The actual book The Dead Can Wait (Dr Watson Thrillers) has a lot of information on it. So when you check out this book you can get a lot of benefit. The book was authored by the very famous author. The writer makes some research before write this book. That book very easy to read you will get the point easily after scanning this book.

Paul Douglas:

This The Dead Can Wait (Dr Watson Thrillers) is great reserve for you because the content which is full of information for you who else always deal with world and get to make decision every minute. That book reveal it information accurately using great organize word or we can declare no rambling sentences inside. So if you are read it hurriedly you can have whole information in it. Doesn't mean it only gives you straight forward sentences but difficult core information with beautiful delivering sentences. Having The Dead Can Wait (Dr Watson Thrillers) in your hand like getting the world in your arm, facts in it is not ridiculous one. We can say that no guide that offer you world with ten or fifteen tiny right but this publication already do that. So , this is certainly good reading book. Heya Mr. and Mrs. occupied do you still doubt that?

Wilma Baca:

Do you like reading a reserve? Confuse to looking for your chosen book? Or your book seemed to be rare? Why so many query for the book? But virtually any people feel that they enjoy intended for reading. Some people likes reading, not only science book but also novel and The Dead Can Wait (Dr Watson Thrillers) as well as others sources were given know-how for you. After you know how the truly amazing a book, you feel need to read more and more. Science reserve was created for teacher as well as students especially. Those books are helping them to put their knowledge. In various other case, beside science guide, any other book likes The Dead Can Wait (Dr Watson Thrillers) to make your spare time much more colorful. Many types of book like this.
