## **Hymns for the Harvest** David M. Fillman

We sing hymns with passion and joy, as an outgrowth of our personal relationship with the God of the universe. We carry them in our hearts and minds and teach them to our children. We may add in other songs of praise, but we return often to the time-tested anthems as a theological anchor, rich in truth and glorious in their reverence of the Almighty. King David's proclamation to "Sing to the Lord a new song . . ." (Psalm 96:1) is a most suitable response to our Heavenly Father, whose mercies to His beloved are new every day. The hymns in this book are new songs, in a variety of musical styles, for both personal and corporate worship of our Lord. Author Dave Fillman served for 21 years as an officer in the Air Force and presently works as an attorney at the Pentagon. He has played piano for 45 years, written music for almost as long, and served in many music ministry roles. He currently leads a church worship team, sings in the choir, and is a leader and pianist in an interdenominational Bible study.
