Why Be Happy When You Could Be Normal? Jeanette Winterson

Jeanette Winterson's novels have establishing her as a major figure in world literature. She has written some of the most admired books of the past few decades, including her internationally bestselling first novel, *Oranges Are Not the Only Fruit*, the story of a young girl adopted by Pentecostal parents that is now often required reading in contemporary fiction.

Why Be Happy When You Could Be Normal? is a memoir about a life's work to find happiness. It's a book full of stories: about a girl locked out of her home, sitting on the doorstep all night; about a religious zealot disguised as a mother who has two sets of false teeth and a revolver in the dresser, waiting for Armageddon; about growing up in a north England industrial town now changed beyond recognition; about the Universe as Cosmic Dustbin.

It is the story of how a painful past that Jeanette thought she'd written over and repainted rose to haunt her, sending her on a journey into madness and out again, in search of her biological mother.

Witty, acute, fierce, and celebratory, *Why Be Happy When You Could Be Normal?* is a tough-minded search for belonging—for love, identity, home, and a mother.

From reader reviews:

Luther Brown:

What do you about book? It is not important with you? Or just adding material when you need something to explain what the one you have problem? How about your time? Or are you busy man or woman? If you don't have spare time to complete others business, it is make you feel bored faster. And you have time? What did you do? Everybody has many questions above. The doctor has to answer that question due to the fact just their can do that will. It said that about e-book. Book is familiar on every person. Yes, it is correct. Because start from on jardín de infancia until university need that Why Be Happy When You Could Be Normal? to read.

Patrick Allen:

Spent a free time to be fun activity to accomplish! A lot of people spent their leisure time with their family, or all their friends. Usually they performing activity like watching television, gonna beach, or picnic in the park. They actually doing same thing every week. Do you feel it? Do you need to something different to fill your own personal free time/ holiday? Could be reading a book might be option to fill your no cost time/ holiday. The first thing you ask may be what kinds of guide that you should read. If you want to try out look for book, may be the e-book untitled Why Be Happy When You Could Be Normal? can be great book to read. May be it might be best activity to you.

Earl Wright:

Why? Because this Why Be Happy When You Could Be Normal? is an unordinary book that the inside of the e-book waiting for you to snap the idea but latter it will zap you with the secret it inside. Reading this book adjacent to it was fantastic author who all write the book in such remarkable way makes the content inside easier to understand, entertaining means but still convey the meaning completely. So , it is good for you because of not hesitating having this anymore or you going to regret it. This amazing book will give you a lot of rewards than the other book have got such as help improving your expertise and your critical thinking means. So , still want to hesitate having that book? If I were being you I will go to the reserve store hurriedly.

Kimberly Duda:

Reading a guide make you to get more knowledge from that. You can take knowledge and information originating from a book. Book is composed or printed or created from each source that filled update of news. In this particular modern era like at this point, many ways to get information are available for an individual. From media social including newspaper, magazines, science guide, encyclopedia, reference book, new and comic. You can add your knowledge by that book. Isn't it time to spend your spare time to open your book? Or just in search of the Why Be Happy When You Could Be Normal? when you needed it?
