CILIP Guidelines for Secondary School Libraries Sue Shaper

This fully updated version of the CILIP-endorsed guidelines for secondary school libraries addresses the changing schools' landscape and impact of technological changes of recent years. Covering every aspect of providing a school library service, from information literacy and reader development to budgeting, management and partnerships, these guidelines will empower school libraries to improve upon and advocate for their services. Focusing on the librarian at the heart of the school, each chapter interweaves best practice, technological development and context-specific options to provide clear guidance and support for all involved in the provision of school library services. Developed with an international audience in mind, these guidelines provide a comprehensive and flexible model for a modern school library service. This will be essential reading for all those who work in school library services, whatever their level of qualification. The guidelines will also be of interest to teachers, especially those in management positions, school governors, business people who service school libraries, and students of librarianship.
