Face Bug

J. Patrick Lewis

Face Bug J. Patrick Lewis

In this ingenious picture book, Children's Poet Laureate J. Patrick Lewis invites you to visit the Face Bug Museum. There, readers can meet fourteen bugs in Lewis's sly, humorous poems; gaze upon giant close-ups of the creatures' faces in Siskind's photographs; and follow the antics of two beetle friends in Kelly Murphy's artwork. This is a trip to a museum-built by bugs, *for* bugs-unlike any other. It is also a poetry collection, macro-photography book, and illustrated story-all in one. Includes end notes with photographs of the entire bugs and further information about these creatures.
