## **Service-Learning at the American Community College: Theoretical and Empirical Perspectives (Community Engagement in Higher Education)**

Researching a growing number of community colleges that use service-learning, Traver and Katz suggest that service-learning can have a profound impact on the students who experience it. Their theoretical and empirical studies of service-learning at community colleges—conducted at single and multiple institutions by service-learning practitioners, service-learning program administrators, and experts in service-learning research and evaluation—stand to benefit service-learning efforts across disciplines and institutional types.
