The Wolf Wilder Katherine Rundell

A girl and the wolves who love her embark on a rescue mission through Russian wilderness in this lyrical tale from the author of the acclaimed *Roftoppers* and *Cartwheeling in Thunderstorms*.

Feo's life is extraordinary. Her mother trains domesticated wolves to be able to fend for themselves in the snowy wilderness of Russia, and Feo is following in her footsteps to become a wolf wilder. She loves taking care of the wolves, especially the three who stay at the house because they refuse to leave Feo, even though they've already been wilded. But not everyone is enamored with the wolves, or with the fact that Feo and her mother are turning them wild. And when her mother is taken captive, Feo must travel through the cold, harsh woods to save her—and learn from her wolves how to survive.

From the author of *Roftoppers*, which *Booklist* called “a glorious adventure,” and *Cartwheeling in Thunderstorms*, which *VOYA* called “a treasure of a book,” comes an enchanting novel about love and resilience.

Stephen Beatty:

As a university student exactly feel bored to be able to reading. If their teacher inquired them to go to the library or even make summary for some e-book, they are complained. Just tiny students that has reading's internal or real their leisure activity. They just do what the educator want, like asked to the library. They go to there but nothing reading really. Any students feel that looking at is not important, boring and can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this The Wolf Wilder can make you truly feel more interested to read.
