Viking Thrall Joanna Davis

Esme is left behind when the Viking marauders appear in their sleepy village. She hopes to bargain with them, a cask of fine wine for the safety of the orphans she watches over. But once the Viking's fierce leader sets eyes on her, his intentions are plain. Magnus cannot believe his sight. The cantankerous woman he's been arguing with through the stone wall turns out to be the fairest creature he has ever seen. He resolves to have her, then and there. He doesn't realize that convincing her will be another matter altogether. With one word, he protects her and seals her fate... "Mine."
