**Archivos (EL PROFESIONAL DE LA INFORMACIÓN) (Spanish Edition)** Ramon Alberch Fugueras  
Cuando hablamos de archivos una parte considerable de los ciudadanos se imagina un espacio silencioso, repleto de documentos y con información histórica de gran interés. Más allá de esta visión simplificada, en este libro proponemos una aproximación más dinámica y renovadora de los archivos, en tanto que instrumentos indispensables para una gestión eficiente y responsable de la información, como aliados de las políticas de transparencia y rendición de cuentas, y como espacio de preservación de documentos auténticos, íntegros y fiables para garantizar el libre ejercicio de los derechos ciudadanos.
