## **Maitreya's Mission Volume One** Benjamin Creme

The first of a trilogy of books which describe the emergence and teachings of Maitreya, the World Teacher. As human consciousness steadily matures, many of the ancient 'mysteries' are now being revealed. This volume can be seen as a guidebook for humanity as it travels on the evolutionary journey. The book's canvas is vast: from the new teachings of the Christ to meditation and karma; from life after death, and reincarnation, to healing and social transformation; from initiation and the role of service to the Seven Rays; from Leonardo da Vinci and Mozart to Sathya Sai Baba. It sets the scene and prepares the way for the work of Maitreya, as World Teacher, and the creation of a new and better life for all. It is a powerful message of hope.
