Music Minus One Bb Clarinet or A Clarinet: Brahms Clarinet Quintet in b, op. 115 (Book & CD) (Music Minus One (Numbered))

Perform timeless Clarinet works with The Classic String Quartet! Perfect for practice, rehearsal, auditions, contest solos, performances, and more! Brahms' magnificent B-minor Clarinet Quintet is one of the summits of the chamber repertoire for clarinet. It is in many ways an homage to Mozart's classic quintet for clarinet. Not to be overlooked by any serious clarinetist. This deluxe 2-CD set includes the quintet in its original key with printed parts for both A and B-flat clarinets, and adds a repitched version for B-flat clarinetists, allowing players of that instrument to learn the same fingerings as the composer's intended A clarinet for performance purposes.

Includes a high-quality, newly engraved printed music score with parts in the original key for both A clarinet and B-flat clarinets; plus a compact disc with a complete recording of the quintet, with soloist; and a second performance minus the soloist. Also includes a second compact disc containing a recording of the quintet repitched to allow B-flat clarinetists to play the original written part for A-clarinet.

MMO CD 3230

Performed by Collete Galante, clarinet

Accompaniment: The Classic String Quartet
