Meg the Dinosaur is mad. She isn't so sure about being in a blended family. She already has a dad and sometimes having a step-brother and step-dad is just too much. Sometimes Meg wants to play by herself and not have to share. Being a kid living with divorce isn't always easy. See how Meg's mommy and step-dad teach Meg that sometimes we need to take a time-out to understand our feelings and learn how to get along. The third in the "Daniel the Dinosaur and Friends" series is designed to help children and families deal with the challenges of becoming a blended family. Watch how Daniel learns from Meg how to manage emotions like anger with grace and ease. Blended families are extra special and no matter what happens, any problem can be solved when families learn to communicate with love in their hearts.
