Your Brain at Work David Rock

In *Your Brain at Work*, David Rock takes readers inside the heads—literally—of a modern two-career couple as they mentally process their workday to reveal how we can better organize, prioritize, remember, and process our daily lives. Rock, the author of *Quiet Leadership* and *Personal Best*, shows how it's possible for this couple, and thus the reader, not only to survive in today's overwhelming work environment but succeed in it—and still feel energized and accomplished at the end of the day. <?xml:namespace prefix = o ns = "urn:schemas-microsoft-com:office:office" />
