## **Skin Deep** Laura Jarratt

An against-the-odds love story at the heart of a book for teens about prejudice, courage and a dark, compelling mystery.

Ugly people don't have feelings. They're not like everyone else. They don't notice if you stare at them and turn away. And if they did notice, it wouldn't hurt them. They're not like real people. Or that's what I used to think. Before I learned . . . After the car crash that leaves her best friend dead, Jenna is permanently scarred. She struggles to rebuild her life, but every stare in the street, every time she looks in the mirror, makes her want to retreat further from the world. Until she meets Ryan. Ryan's a traveller. When he and his mother moor their narrow boat on the outskirts of a village, she tells him this time it will be different. He doesn't believe her; he can't imagine why this place shouldn't be as unwelcoming as the rest. Until he meets Jenna. But as Jenna and Ryan grow closer, repercussions from the crash continue to reverberate through the community. And then a body is found . . .

Fans of Sarah Dessen, Jenny Valentine and Jenny Downham will love Skin Deep.

#### **Mark Montague:**

As a pupil exactly feel bored to help reading. If their teacher expected them to go to the library in order to make summary for some guide, they are complained. Just little students that has reading's heart and soul or real their passion. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that looking at is not important, boring as well as can't see colorful images on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Skin Deep can make you sense more interested to read.
