Temas del español contemporáneo. Cuatro conferencias en El Colegio Nacional (Spanish Edition) Luis Fernando Lara Ramos

Estas conferencias responden a la necesidad de difundir entre el público mexicano cuatro temas de la vida contemporánea de las sociedades hispanohablantes que atañen a todos, si se trata de comprender bien el papel del español actual entre nosotros y en relación con otras lenguas, con las que tenemos estrecha relación, sobre todo la inglesa, así como de adoptar una posición activa frente a los retos que nos plantea la vida contemporánea: la diversidad del español, el peligroso olvido de la escritura en español por parte de muchos científicos, el papel central de la traducción y dos riesgos de la libertad de hablar: la "corrección política" y el neoliberalismo aplicado a la lengua.
