Thatababy Geeks Out! (UDig) Paul Trap

Sometimes he's Thatababy Jones, venturing bravely into the Closet of Doom. Other times he's Superbaby, on a mission to improve any household object by outfitting it with a superhero's cape. Whatever world Thatababy inhabits, his imagination runs wild as he investigates important questions, such as: How many action figures does it take to clog a toilet? What are the hidden dangers of a prank call to the moon? And which makes a better imaginary friend: a tortoise, a raccoon, or the alien from *Alien*?

This e-book only collection of *Thatababy*'s geekiest adventures features the crisp art and clever writing that earned the strip critical acclaim and a finalist's spot in Amazon's Comic Strip Superstars contest. It is the brainchild of Paul Trap, a freelance computer graphics illustrator and editorial cartoonist for *Baseball America* magazine.
