Modern Marijuana Living represents the real marijuana user of today, who is compassionate, intelligent, creative, stylish and, when necessary--very responsible and professional. Whether the reader is smoking for the first time or is a seasoned smoker, Michael Green's book offers valuable information, practical tips and fresh concepts to help the marijuana user avoid letting the plant they enjoy get in the way of the other things they do in their lives. Navigating the ever-changing and sometimes unfamiliar path to the American Dream is growing more and more difficult. Using the experience, ideas and philosophy of author Michael Green, who is a successful entrepreneur in the medical marijuana industry, readers will learn how to be a more knowledgeable consumer and balance a healthy, modern marijuana lifestyle that will promote a positive vibe with others and make their place in the world a constructive one. The author asks his readers: Are you tired of being referred to as the Cheech and Chong of your group of friends? Are you tired of being constantly judged or criticized for making an informed decision to choose marijuana to treat a variety of ailments over pharmaceuticals? Marijuana users are tired of being judged in such a negative light despite the fact that many are knowledgeable consumers and have been some of the greatest thinkers in our society, past and present, including: Sir Richard Branson, Bill Gates, Steve Jobs, Stephen King, Queen Victoria, Carl Sagan, Ted Turner, and George Washington. Readers will learn about the social rules and personal habits necessary to responsibly represent today's marijuana culture and the importance of staying informed on the issues relating to marijuana. The information and advice provided in this book will help marijuana users be better prepared to take accountability for their actions and go into the world as open-minded, enlightened members of the marijuana world. Modern Marijuana Living also offers guidance on applying the information provided to everyday scenarios that will help make any relationship with marijuana and the modern marijuana lifestyle a healthier and more informed one. How to handle yourself around friends and family to ensure you don't make yourself look bad or make them feel uncomfortable. Learn essential information about marijuana strains to maintain consumer awareness for the sake of your health and your finances. Avoid letting up on regular grooming.
