Neptune Noir: Unauthorized Investigations into Veronica Mars (Smart Pop series) Rob Thomas

More than just a high school drama, “Veronica Mars” is a smart and savvy teen detective show that offers complex mysteries and rapier wit, engaging social commentary, and noir sensibilities—with the occasional murder thrown in for good measure. This collection, edited by the creator and executive producer of the show, offers supreme insight into the class struggles and love stories of the series. Essays by top writers intelligently address a multitude of questions such as: Is Veronica a modern-day vigilante? Why is a show that features rape, potential incest and a teen girl outsmarting local authorities so popular with America’s conservative population? and Why is Veronica and Logan’s relationship the most important story-driving factor in the show?
