**Responsibility to Protect and Women, Peace and Security: Aligning the Protection Agendas** Sara E. Davies

In *Responsibility to Protect and Women, Peace and Security: Aligning the Protection Agendas*, editors Sara E. Davies, Zim Nwokora, Eli Starnes and Sarah Teitt address the intersections of the Responsibility to Protect (R2P) principle and the Women, Peace, and Security (WPS) agenda. Contributions from policy-makers and academics consider both the merits and the utility of aligning the protection agendas of R2P and WPS. A number of actionable recommendations are made concerning a unification of the agendas to best support the global empowerment of women and the prevention of mass atrocities.
