The Deadliest Lies: The Israel Lobby and the Myth of Jewish Control Abraham H. Foxman

The representative of the Jewish community and staunch defender of human rights, Foxman delivers a powerful blow to such ideas as "The Israel Lobby." He shows how old stereotypes associated with the most virulent forms of bigotry have been resurfacing and taking subtle new forms. From Carter to Mearsheimer, he addresses the public figures who make these beliefs appear credible. He also reveals a disturbing parallel trend: the decline of global Jewish solidarity, which he argues is critical for dealing with the current threat. Foxman advocates forthright and decisive solutions to an international crisis, ensuring that this will be an important clarion call.
